Sir,

Referring to the above, I have the honor to state that I am quite willing to accept the offer of Rs 25/ a month as a fixed allowance for visiting Balur

Further, I am of opinion that fixing Banakal as the centre will be convenient both for the people and myself, for the reason that people coming to the shandy will be induced to take advantage of my presence and that I would be

able to go to the place in the morning and return in the evening
